

## **FORWARD LOOKING STATEMENTS**

Certain statements contained in this presentation, including statements which may contain words such as “could”, “should”, “expect”, “estimate”, “believe”, “likely”, “will” or statements relating to oil and gas service industry activity estimates, estimates of drilling activity, oil and natural gas supply and demand estimates, estimates of Canadian wells required to maintain production, realization of the benefits from the Ironhand transaction, potential acquisition opportunities in the current market and similar facts and similar expressions and statements relating to matters that are not historical facts, are forward-looking statements. Such forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances or achievements of CWC to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include fluctuations in the market for oil and gas and related products and services; competition; our ability to integrate and manage acquired businesses, including Ironhand; new products and services developed by CWC; the demand for services provided by CWC; changes in laws and regulations, including environmental, to which CWC is subject; CWC’s ability to attract and retain key personnel and other factors affecting both the oil and gas business and oilfield services.
