CWC ENERGY SERVICES CORP. ANNOUNCES ISSUANCE OF STOCK OPTIONS AND RESTRICTED SHARE UNITS

CALGARY, ALBERTA – (TSXV: CWC) CWC Energy Services Corp. (“CWC” or the “Company”) is pleased to announce that the Board of Directors has approved the granting of 8,307,000 stock options and 2,607,000 restricted share units of the Company on December 14, 2017 to certain directors, officers and employees of the Company. The stock options have an exercise price of \$0.20 per common share and expire five years from the date of grant with one-third vesting on each of the first, second and third anniversaries from the date of grant. The restricted share units granted vest one third annually on each of the first, second and third anniversaries from the date of grant. All 2,607,000 restricted share units expire on December 15 of the third year following the year in which the restricted share units were granted.

About CWC Energy Services Corp.

Forward-Looking Information and Statements

This news release contains certain forward-looking information and statements within the meaning of applicable Canadian securities legislation. Certain statements contained in this news release may contain such words as “anticipate”, “could”, “continue”, “should”, “seek”, “may”, “intend”, “likely”, “plan”, “estimate”, “believe”, “expect”, “will”, “objective”, “ongoing”, “project”, “view” and similar expressions are intended to identify forward-looking information or statements. In particular, this news release contains forward-looking statements involving the anticipated benefits to be derived from the Transaction including meaningful competitive benefits for CWC and its customers in addition to general economic conditions. Although the Company believes that the expectations and assumptions on which such forward-looking information and statements are based are reasonable, undue reliance should not be placed on the forward-looking information and statements because the Company can give no assurances that they will prove to be correct. Since forward-looking information and statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the risks associated with the drilling and oilfield services sector (i.e. demand, pricing and terms for oilfield drilling and services; current and expected oil and gas prices; exploration and development costs and delays; reserves discovery and decline rates; pipeline and transportation capacity; weather, health, safety and environmental risks), integration of acquisitions, competition, and uncertainties resulting from potential delays or changes in plans with respect to acquisitions including the Transaction, development projects or capital expenditures and changes in legislation, including but not limited to tax laws, royalties and environmental regulations, stock market volatility and the inability to access sufficient capital from external and internal sources. Accordingly, readers should not place undue reliance on the forward-looking statements. Readers are cautioned that the foregoing list of factors is not exhaustive. Additional information on these and other factors that could affect the Company's financial results are included in reports on file with applicable securities regulatory authorities and may be accessed through SEDAR at www.sedar.com. The forward-looking information and statements contained in this news release are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking information or statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. Any forward-looking statements made previously may be inaccurate now.
